

STEM CATCHER BAGS

A convenient accessory that helps eliminate FOD. Features a heavy-duty zipper and a Velcro band that holds the bag securely in place to catch the spent rivet stems as they are ejected. See tool manual for part numbers.

Stem Catcher Bags for Rear Ejecting Nose Assemblies

Installs on the rear of the riveter to catch spent pintail stems. Place catcher bag over pintail deflector and easily fasten catcher bag to tool using the Velcro strap.
