

# Sheetmetal Kit

## MS4820F-3X

henchman  
products

Our Master Sheet Metal Tool Kit contains just about everything you will need to build or maintain any sheet metal aircraft. Our kit contains tools you will use! It is not loaded with tools, which have little or no use.

If you want to add or delete an item, just ask! We are more than happy to customize the kit to your specific needs.

Only the contents that are currently available on our website are shown in the list below. For a complete list please open the Product Data Sheet below.

Dimensions: 520W x 435D x 230mm H

## About Henchman

Henchman Products is an international single-source supplier of premium tools, specialised tooling solutions, repair and calibration services and toolkits for specialised industries such as aerospace, electronics, defence, field and plant service, transportation, mining & energy, assembly & manufacturing and more.

Henchman toolkits with Visual Tool Control and Electronic Tool Control are renowned for their superb quality finish and design and are available for purchase globally.

Whatever your requirements, with our range we can empower you to work professionally!
